Granton Medical Centre, 114 Middleton Hall Road, Kings Norton, Birmingham, B30 1DH

FOR SALE
Freehold Former Doctors Surgery
Net Internal Area: 4,026 ft² (374.02 m²) approx.
Location

Located on the Kings Norton / Bournville border this impressive property has been operating for over 100 years as a doctor’s surgery.

In 1894 alterations were made to the original property by well-regarded architects Newton and Cheatle; the same firm famed for many of the buildings in the city and arcades.

Positioned on the corner of Middleton Hall and Selly Oak Road; the premises occupies a prime position which may be suitable for a multitude of uses (subject to planning).

Granton surgery is positioned just a 5-minute walk from the nearby Kings Norton train station which gives a quick and convenient link into the city centre (approximately 15 minutes) and just a short walk from Cotteridge high street. This is an extremely convenient location with plenty of local amenities and easy links into and out of the city.

The area is also famed for its green areas with central Bournville being a short walk away along with Kings Norton park.

Local motorway links are both quick and convenient with both the M5 and M6 motorways being a short drive from the premises.

Description

An incredibly rare opportunity to acquire one of Kings Norton’s most wonderful period properties currently in use as a doctor’s surgery.

This stunning property proudly displays the ‘arts and crafts’ style for which the area is famed and is spread over 3 floors featuring over 4,000 ft² of internal space.

Whilst the property has been used as a doctor’s surgery since the early 1900’s it retains mainly of the original features and is full of the scale and grandeur that make these period residences so special.

Granton surgery benefits from wonderful high ceilings, large character windows throughout and beautiful staircases joining the various floors.

Surrounding the property is a sizeable gated carpark with a private and peaceful courtyard area to the rear.

As you would expect of a property of this nature there are a multitude of consulting rooms along with a large entrance lobby / waiting room.

Spread over 3 floors there is ample space to re-design / reconfigure the space and potentially add further square footage (subject to planning).
